

Wall mounted receptacle
Part no. 7127

- screw terminals
- fused with RCD (0.03 A)
- other leakage current ratings on request

Technical specifications

Ampere	32 A
Poles	4 p
Voltage	400 V
Clock position	6 h
Hertz	50-60 Hz
Connection technology	Screw terminals
Contact	standard
Protection type	IP 44
Enclosure material	Plastic
Weight	1284 g
Declaration of Conformity	EAC
